

BRIGIDINE COLLEGE CONSTRUCTION UPDATE
CDC NOTIFICATION

4th September 2024

To whom it may concern,

Further to CDC reference number: **CDC-23028**

Stephen Edwards Constructions wish to provide you with the latest update to the Brigidine College Sport Precinct project.

As you are aware we have been engaged to upgrade the sports facilities for located on the south-eastern corner of the College campus. We have reached a critical milestone in completing the structure for the basement carpark and OSD (REF works).

We now plan to commence the enclosed sports courts (CDC works) in the coming week with a planned commencement date of Wednesday 11th September 2024. Please note that there will still be ongoing construction works for the completion of the REF stage and preparation to commence the CDC stage.

Work will continue to be done on Monday to Friday from 7am to 6pm and on Saturday mornings from 8am to 1pm. We anticipate that all works will be completed in September 2025.

For Further queries and information regarding the project, please contact the undersigned.

Regards,

Christopher On
